

Residential Utility Service Agreement

This agreement is made between the Utility and the Applicant. The Applicant requests their residence be connected to the Utility’s electric and water/wastewater system.

Please initial each line. As part of the request, the Applicant agrees:

1. ____To view policies and ordinances on the Chignik Lagoon Village website.
2. ____To pay any deposits (\$200) required by the Utility prior to connection of service. Deposits will be returned when service is disconnected, or with consecutive payment history.
3. ____To abide by the electric, water and wastewater ordinances, rules, and policies implemented by the Utility.
4. ____To pay the Utility a monthly service fee for electric and water/wastewater at the rate established by the Utility for residential customers.
5. ____That delinquent bills (more than 40 days past due) are subject to collection actions. These actions can include, but are not limited to, late payment fees, deposit forfeiture, disconnection of service, and collection agency action.
6. ____To maintain heating and water line plumbing within the residence from the exterior walls inward, including all interior plumbing, piping, fixtures, hot water heater, and other appurtenances intended to carry water, sewage, wastewater and drainage in accordance with the Uniform Plumbing Code. Applicant will own and maintain wastewater lines from inside the home extending to the connection at the sewer main. If any work needs to be done from the home to the sewer main additional fees may apply.
7. ____To use and pay the costs of heat tape and/or circulating pumps to prevent freezing during the winter.
8. ____If the residence is vacated for any reason (vacation, medical leave, move out of community, etc.), resident(s) will contact the local power/water plant operator to complete a service change form and disconnect services and have power meter pulled. If services are not disconnected, or are requested to remain connected by resident(s) during vacancy, the resident agrees to accept all liabilities and utility (power/water/wastewater) fees.
9. ____That by signing this Agreement, the Applicant grants to the Utility, its officers, employees, and agents the right of ingress and egress to the property and residence for purposes of inspections, repairs, connection or disconnection of piping, plumbing, fixtures and other appurtenances intended to carry power, water, sewage, and waste water. The ingress and egress shall be at a reasonable time, and whenever possible, the Utility shall provide advance notice of any inspection.
10. ____That by signing this Agreement, the Applicant grants the Utility and its employees the right to enter onto their property to access the meter when necessary. Also, the Applicant agrees to ensure the meter is accessible by operators.
11. ____That by signing this agreement, the Applicant will allow water to be turned on or off by operator only.
